68. KVDA
69. NCPB
70. Lenana Beekeepers Station
71. Gura Forest Association

Stakeholder Categorization

No.	Stakeholder	Category	Reason to involve the stakeholder	Why the stakeholder wants to be involved (Benefits)
1.	Samburu County Government (S.C. G	County Government (S.C.G)	-Legal framework	- Achieve their mandate
2.	USAID-NAWIRI	International NGO	- Funding of project	- Achieve their mandate
3.	NRT	Local NGO	-Capacity building -Funding -Rangeland management conservation	- Achieve their mandate
4.	ENNDA	National govt	-Legal framework -Capacity building -Proposal writing conservation	- Achieve their mandate
5.	A.F.C	National government	-Financing projects -Technical support	-Achieve their mandate
6.	K.W. S	National government	-Legal framework -Conservation -Research -Conflict mitigation -Collaboration	-Achieve their mandate
7.	K.F. S	National government	-Legal framework -Conservation -Research -Conflict mitigation -Collaboration	-Achieve their mandate
8.	Pastoral community	others	-Resource users -Resource owners -Members of the existing member groups	-Achieve their mandate. -Better resource management use systems
9.	Local community	others	-Resource users -Resource owners -Members of existing user groups	-Better resource management -Achieve their mandate.

			-Strengthening of the structures e.g. grass and water user groups, ecotourism	
10.	Samburu National Reserve (SNR)	County government	-Conservation -Conflict resolution and mitigation -Capacity building -Security provision -Collaboration with neighboring organizations	-Achieve their mandate. -Tax collection
11.	Conservancies	Others/local	-Conservation -Conflict resolution and mitigation -Security -Collaboration -Capacity building -Control resource use	-Strengthening this mandate through collaboration -Achieve their mandate
12.	WRUAs	Local	-Resource users -Resource owners -Decision makers development of management plans and capacity building -Implementation of projects	-Receive funds. -Better resource use -Environmental management -Achieve their mandate
13.	Agro-Dealers	Business Org	-Provide last mile services to farmers/provision of resource and inputs. - Collaboration/linkage -Provision of inputs -Capacity building	-Get profit/ revenue collection. -Achieve their mandate
14.	Ministry of interior	National Government	-Security -Legal framework -General administration -Collaboration -P.P. P	-Achieve their mandate

15.	Y.E.D. F	National government	-Funding of projects -Legal framework -Policy making -Capacity building -Sensitization	- Achieve their mandate
16.	Banks (KCB, Equity, Coop)	Financial institutions	-Funding of projects -Disbursements of funds	-Generate money through interest. -Achieve their mandate
17.	HIVE	National organization	-Provide extension services -Offer financial support -Capacity building	-Market for their goods -Making of profit -Achieve their mandate
18.	W.F. P	International NGO	-Capacity building -Funding of projects -Research -Resource provision -Provision of health and nutrition support	-Achieve their mandate. -Resource provision
19.	Child fund	International NGO	-Capacity building -Resource provision -Funding of project -Provision of health and nutrition support. -P.P. P	-Achieve their mandate. -Resource provision
20.	F.A. O	International NGO	-Research -Land restoration. -Funding of projects -Capacity building -Resource provision -P.P. P	-Achieve their mandate. -Resource provision to community
21.	PACIDA	International NGO	-Funding -Capacity building -Resource provision	-Achieve their mandate. -Resource provision
22.	Caritas	International NGO	-Funding of projects -Resource provision -Health and nutrition provision -P.P. P	-Achieve their mandate
23.	K.M. D	National govt	-Weather focusing -Capacity building -Weather and climate advisory -Proper decision making Research	-Achieve their mandate

24.	USAID-STAWI project	National organization	-Funding -Market linkage -Capacity building -Employment provision	-Achieve their mandate. -P.P. P -Gain information and experience. -Market linkage
25.	LISTEN project	National government	-Provide input. -Capacity building -Funding -Research -Resource provision -Innovations -Policy formulation -P.P. P -Funding -Development of infrastructure	-P.P. P -Achieve their mandate -Gain information and experience
26.	FLOCCA	National project	-Funding -Provide adaptation solutions. -Capacity building -Policy -Legal framework -P.P. P -Offer climate change mitigation services	-Achieve mandate. -PPP -Gain info and experience
27.	VSF		-Funding of project -Capacity building -Rangelands restoration -Resource provision e.g. livestock feeds -Livestock product value addition -Livestock disease surveillance -Emergency response -Resource mobilization - Funding of education scholarships and research	-Achieve their mandate -PPP -Gain information
28.	TWENDE project	National project	-Capacity building -Collaboration	-Achieve their mandate. -Gain revenue.

			-Funding -Rangeland restoration -Livelihoods diversification -Research -Drought mitigation and adaptation -PPP -Health and nutrition	-PPP -Information sharing and experience
29.	N.D.M. A	National govt	-Capacity building -Collaboration -Funding -Response to drought emergency -Livestock disease surveillance -Monitoring and evaluation - Coordination -PPP -Resource provision	-Achieve their mandate. -Information sharing -PPP
30.	BOMA project	National project	-Funding -Capacity building -Women economic empowerment	-Achieve mandate. -PPP
31.	WSTF	National govt	-Funding of WRUAS -Capacity building -Project development and implementation	-Achieve their mandate
32.	LMS Project	Local project	-Support livestock market. -Information access -Livestock Legal framework -Value addition	-Achieve their mandate. -P.P. P -Information gain - Collection of data
33.	ACTED	National govt	-Capacity building -PPP -Funding -Resource mobilization -Livestock disease surveillance and control	-PPP -Achieve their Mandate. -Resource collection

34.	Feed the children	National govt	-Funding -Health and nutrition support -PPP -Information sharing -Research -Policy formation	-PPP -Resource allocation -Achieve mandate. -Gain information and experience
35.	Syngenta	National	-Capacity building -Resource provision -PPP -Market linkage -Info sharing -Funding -Innovation and tech	-PPP -Resource allocation -Achieve mandate. -Gain information and experience
36.	CFA e.g. Nkurra	Local government	-Resource users and owners -Ecosystem management and restoration -Policy implementation -Conflict resolution -Capacity building -Funding of user right groups	-PPP -Revenue generation -Resource conservation and sustainable use
37.	C.B. O	Faith based organisation	-Capacity building -Information dissemination -Input provisions. -PPP -Provide infrastructure. -Funding -Resource mobilization -Scholarships -Health and nutrition support -GBV mitigation -Women and youth empowerment and vulnerable marginalized groups (VMG) -Conflict resolution	-Gain information. -Achieve their mandate. -PPP -Evangelism -Revenue collection

			-Livelihoods diversification	
38.	Environmental Justice	Local CBO	-Conservation -Advocacy -Environmental rights champions -Funding -PPP -Capacity building -Resource and service development	-Revenue collection -Achieve their mandate. -PPP
39.	NEMA	National govt	-Preservation -Environmental impact assessment (ESIA) -Capacity building and sensitization -Funding -Monitory evaluation -Coordination -Collaboration -Research -Environmental Audit (EA) -Policy formulation -Legal framework -Liscence and permit for water abstraction	-Achieve their mandate. -PPP -Gain information
40.	SAWASCO	Local/county govt	-Water service provision and regulation -Inspection and approve other water providers. -Implementation, approval and supervision of water project -Social cooperate responsibility SCR -Capacity building -Provide employment	-Achieve their mandate. -Revenue collection -Gain information. - employment
41.	NWDA <i>National water</i>	National govt	-Legal framework -Funding of major water projects	-Achieve their mandate

	<i>development agency</i>			
42.	BATUK <i>British Army Training Unit in Kenya</i>	National	-Job creation -Infrastructure development -Resource users -Health service provision	-Achieve their mandate
43.	K.D. F	National	-Security -Employment -Infrastructure development -Evacuation services -Conservation -Health service provision	-Achieve their mandate
44.	Losesian group ranch	local	-Land owners. -Resource users -Policy implementors -Capacity building -Decision makers -produce grazing plans -conservation -Conflict resolution -Better resource use -Coordination and cooperation	-Revenue collection -Achieve their mandate
45.	DRIVE project	National government	-Capacity building -Livestock insurance resilience	-Achieve their mandate. -Revenue collection
46.	Vocational centres	Research and vocational centres	-Capacity building -Information and research generation	- Achieve their mandate
47.	Ewaso Lions	local	-Education and research -Capacity building -Advisory and information dissemination -Resource mobilization Infrastructure development	-PPP -Achieve their mandate -Species conservation -Revenue collection

			-Collaboration -Partnership -Provision of security gadgets - employment	
48.	WRTI	national	-Education and research -Training -Capacity building -Information dissemination	-Achieve their mandate. -PPP -Revenue collection
49.	KEPHIS KARLO KEFRI UoN	National, Education and research institutions	-Information dissemination -Research -Provision and inspection of certified seeds. -Provision of inputs -PPP	-Achieve their mandate. -PPP
50.	Samburu Professional Association	local	-Capacity building -Information dissemination -Resource use and owners -Coordination -Opinion leaders -Monitor and oversight of project	-PPP
51.	Local media e.g. serian FM	local	-Information dissemination -Capacity building and sensitization	-Achieve their mandate. -PPP -Revenue collection
52.	Indigenous women	local	-Conservation -Cultural exchange -Opinion leaders -Business exchange -Oversight of project -Resource mobilization -Knowledge sharing -Training stakeholders and community	-Revenue generation -Achieve their mandate. -PPP
53.	Bee care project	local	-Capacity building -Inputs on equipment -Market linkage	-Achieve their mandate. -Revenue collection -Market for their product

	Bee keeping group		-Value addition of hive products -PPP	-Information gateway
54.	K.V.D. A	national	-Legal framework -Capacity building -Market linkage -Value addition -Input supply. -PPP -Livestock Infrastructure improvement	-Profits -Markets for their products -PPP
55.	NCPB	National government	-Storage of cereals -Capacity building -Information dissemination -Employment -Farm inputs -PPP	-Revenue collection -Achieve their mandate. -PPP
56.	A.M.S (Agriculture machinery service)	Local government	-Capacity building -Service provision (Mechanization services) -Post-harvest management -PPP	-Achieve their mandate. -Revenue generation -PPP
57.	WASREB	National government	-Legal framework -Policy formation -Water source regulation -Advisory on water tariffs -Capacity building and training -Monitoring and evaluation	-Achieve their mandate
58.	Baraka Collage	Research and Training Institution	-Capacity building -Research -Provide beekeeping tools -Innovation and technologies -PPP	-Get information -Achieve their mandate -Market for the goods -Earn experience
59.	Red-Cross	International NGO	-Funding -Capacity building	-PPP -Achieve their mandate.

			-Information sharing -Resource Provision -Evacuation and assistance during disasters -Provision of health and nutrition service	-Gain experience
60.	UNICEF	International NGO	-Funding -Resource provision -Capacity building -Sensitization -Provision of health and nutrition service -Support education. -Sanitation -Champion of child rights	-Achieve their mandate. -PPP -Gain information and experience

PROJECTS UNDER THE SAMBURUCOUNTY GOVT

- Emergency Locust Response Program
- National Agricultural Rural Inclusive Growth Project
- DSLR/BREFONS- drought resilience and sustainable livelihoods program
- ASDSP2- Agricultural sector development support program 2
- KeLCOP-Kenya Livestock Commercialization Project
- FSRP
- FLOCCA

Departments within the Samburu County Government

- Livestock
- Agriculture
- Water
- Environment
- National resources
- Energy
- Climate change led solutions.
- Trade and social services
- Youth

STAKEHOLDER	INTEREST (H, M, L)	COMMENTS ON INTEREST	INFLUENC E (H, M, L)	COMMENT ON INFLUENCE	AFFECT ED BY PROJEC T (H.M. L)	COMMENTS ON AFFECTED BY (H.M. L)
S.C. G	H	Main actors of the project	H	Main actors	H	Success depends on them
USAID NAWIRI	H	They are major actors	H	Cover the largest percentage of the country	H	Failure of the project means their failure
NRT	M	Concentrate on a small percent of the county	M	Covers one subcounty alone	M	Its mandate is small and minimal
ENNDA	L	Not known	L	Not known	L	Not known
A.F.C	L	Not widespread	L	Collateral is stiff and high	L	Not popular
K.W. S	M	Only concentrate on wildlife	M	Scope is limited	L	Only deal with wild animals
K.F.S, C.F. A	M	Limited mandate	H	Most of products comes from forest	H	They are the water catchment and most affected
Pastoral and local community, Losesia group ranch	H	Main actors	H	Main focus of the project	H	They are the main actors
Conservancies	H	Main actor	H	Main actors	H	Main actor
WRA, WASREB and WRUAS	H	Main actors	H	Control resource	H	High mandate
Argo- dealers	M	They form part of Last mile service providers	M	They form part of Last mile service providers of inputs	M	They only offer inputs
Ministry of interior	H	Main actors	H	Main actors	H	Provide security

Y.E.D. F	M	Provide sustainability	L	Low involvement and low funding	M	Projects depend on funding
Financial institutions	M	Limited access	M	Limited access	M	Limited access
Impact project	H	Among main actors	H	Among main actors	H	Success of project depend on them
W.F. P	H	Among main actors	H	Among main actors	H	Success of project depend on them
Child Fund	L	Covers a small percentage of society	L	Few beneficiaries	L	Not popular
F.A. O	L	Only focused on Livestock	L	Limited mandate	L	Limited mandate
PACIDA	M	New project	M	It's in the initial stages	M	Picking on so well Large scope of operation
caritas	M	Local based Limited mandate	M	Funding is limited	M	Limited scope
K.M. D	M	Averagely performing	M	Gaining popularity	M	Gaining popularity
Hives project KVDA Bee care Lenana beekeepers	L	Limited scope and funding	L	Limited scope	L	Not popular
Vocational centers	H	High scope and it's doing well	M	Picking up well	M	Gaining popularity
WORLD vision Red cross	M	Limited activities	M	Limited scope	M	Limited scope
UNICEF	H	Wide scope and funding	H	Funding and many beneficiaries	H	Success depends on them

USAID-Stawi, Twende Project	M	Among main actors	H	Fund projects	H	Fund projects
Listen, VSF	L	They are coming to an end	L	They are coming to an end	L	They are not very active
BOMA, ACTED	L	Limited activities	L	Limited Scope	L	Limited activity
N.D.M. A	H	Among major actors	H	Among major actors	H	Success of project depend on them
W.S.T. F	H	Funding of projects	H	Funds projects Many beneficiaries	H	Success of project depend on them
L.M. As	H	Directly affect livelihoods	H	Directly affect livelihoods	H	They are of great interest to the project
Syngenta foundation	L	Limited coverage	L	Limited coverage	L	Limited scope
FBOs and CBOs, environmental justice	H	Large scope and very active	H	Cover large population	H	Among main actors
NEMA SAWASCO	H	Main actors	H	Main actors	H	Success depends on them
Ewaso Lions Save the elephants. Suyaian Trust	H	Main actors	H	Among the main actors	H	Success depends on them
BATUK KDF	L	Limited scope	L	Limited activities	L	Don't have direct impact to the project
Media Samburu Professional Nkurra forest association	H	Main actor	H	Opinion Leaders	H	Success of project depends on them
NWDA NCPB	L	Limited scope	L	Limited scope and	L	Low mandate

				small mandate
